Mr. James Hill,
1025 N. Dakota Ave.,
Lakeland, Fla.

Dear Sir:

I am writing you for information about your arm. I feel now that you have had a sufficient amount of rest your arm should be in tip shape. Since it was your idea to go home, I was expecting a letter from you reporting your conditions. There will probably be a play-off between the first four Teams in the League standing, and if you are O. K. we want you to return for two weeks and finish the season, so answer by Air-mail. Will send for you immediately.

This is very important and I want you to take this seriously and report back to the Club.

The play-off starts Wednesday, Sept. 6th.

Respectfully,

DL:CCJ
